

# INTERNATIONAL SOCIETY FOR PROSTHETICS AND ORTHOTICS

## Call for papers extended deadline

ISPO UK MS is delighted to announce that our next annual scientific meeting will be held at the Village Hotel & Leisure, Herons' Reach Blackpool, East Park Drive, Blackpool, FY3 8LL.

**The meeting will be held on Friday 4th and Saturday 5th October 2013**

**Deadline for submission of free paper & poster abstracts now extended to 28th June 2013. All abstracts should be sent to [info@ispo.org.uk](mailto:info@ispo.org.uk).**

## Guidelines for Submission of Free Paper Abstracts

You are invited to submit abstracts for the free paper sessions. All abstracts should be submitted in the format outlined below. The deadline date for receipt of all abstract submissions is 28<sup>th</sup> June 2013.

Title: How to lay out a free paper abstract submission  
Presenter: Name E Pearson, Research Prosthetist, Mr  
Contact Address: Anytown DSC

E-mail: E-mail address  
Other Authors: AN Other, Design Engineer, Anytown General Hospital

This instruction, complete with fictitious title and authors, is presented in the format - but not the size - to be used for your abstract. It should consist of not more than 500 words, 12pt, justified with single spacing, double spacing for paragraphs and on A4 paper. A 25 mm margin should be left on all sides. Discipline and affiliations should be stated for each of the authors and the presenting author should be in bold type.

The abstract is the only means by which a proposed paper can be assessed and, therefore, it should be complete in itself. It should be structured along the following guidelines:

- Aims and objectives for the study or survey or a brief outline of why the work was undertaken.
- The techniques or methods used and the subjects studied.
- An indication or a summary of the actual results. It will not be sufficient to include phrases such as "the results will be discussed".
- Conclusions or recommendations or implications arising out of this work.

A maximum of two references may be included and they should be presented in the format used in the ISPO journal *Prosthetics and Orthotics International*.

Acceptance of abstracts will depend upon these instructions being complied with. In order to be eligible to present your paper you must be registered for the meeting on the day of presentation. The abstracts may be edited for inclusion in the Compendium, which will be included in the delegates' pack. Authors are reminded, in their own interests, to pay particular attention to the layout and quality of typing.

Please submit your abstract in E-MAIL format to:-

ISPO UK MS Secretariat, PO Box 2781, Glasgow, G61 3YL

E-mail: [info@ispo.org.uk](mailto:info@ispo.org.uk)

**Location :** DoubleTree by Hilton, Manchester

**Date :** Wednesday 3rd July 2013

Book 2 places

£299 each

Attend this practical seminar and share in realistic, practical advice in how you can achieve effective **Early Supported Discharge** appropriate to your service needs.

This unique seminar will explore:

- **Definitions of ESD**
- **Practical models of service delivery**
- **Realities of implementation**
- **Workforce and budget considerations**
- **Sustaining services post set up**
- **Measuring outcomes and evidencing ESD**

Attend this one day workshop and share experiences, identify solutions and become equipped with the tools you need to ensure your patients and resources are managed correctly. Designed for those involved in the set up and running of ESD, this timely event is packed with examples of best practice, novel ideas and expert advice.

[To see more of the planned content for the day click here](#)

Take advantage of your only opportunity to:

- **Network with your peers**
- **Share your challenges and concerns**
- **Discuss ESD requirements**
- **Develop a plan of action**
- **Work through your issues**

By reviewing the recovery and patient experience benefits but also exploring the pitfalls associated – this event will ensure you take away the full picture on ESD enabling you to go back to your organisation with a new depth of knowledge and practical understanding.

[Book your place now](#)

Make sure you take a proactive approach to ensuring your patients have access to the best discharge procedures with efficient, operational ESD services

Plus take a look at this separately bookable event:

**Opportunity to experience work in a low / middle income country**

The Cambodia Trust operates 5 schools of Prosthetics and Orthotics in the South/South East Asian region providing Prosthetics/Orthotics education to students from low and middle-income countries. The schools currently hold, or will apply for, accreditation as ISPO Category II institutes.

We are seeking experienced Prosthetist /Orthotists who are committed to sharing their skills with young and enthusiastic students. You would work within a team of experienced expatriate and national staff.

The successful applicant will:

- Work in a teaching team in P/O theoretical, clinical and technical subjects;
- Train, advise, support and counterpart national staff in the preparation of teaching materials, lesson plans and delivery of lessons;
- Prepare and conduct regular assessment of student's progress.

**Contract duration:** 2 year contract preferred. One year is possible

**Locations:** Myanmar Indonesia Philippines

**Applicants must have:**

- An ISPO Cat 1 P/O qualification (or equivalent)
- A minimum of 3 years post graduate experience

**It would be desirable that applicants have:**

- Previous experience working in another culture
- Previous P/O teaching experience

**Closing date:** open

Additional information on the work of the Cambodia Trust is available on our website: [www.cambodiatrust.org.uk](http://www.cambodiatrust.org.uk)
